

Let'sGo!

EXPLORE our surroundings, and **LEARN** about our world!

Let'sGo is a monthly program for children who are blind or visually impaired to explore their surroundings together with children who are sighted.

We will engage in everyday recreational activities that foster incidental learning, learning that is experienced by observing people and activities around us.

Through an integrated setting, children with and without sight will use a variety of techniques to observe and understand their surroundings.

Wednesday, July 20 | 2:30 - 3:30 p.m. | Mariano's | 25 Waukegan Rd., Glenview

Explore the produce department and enjoy a snack together.

Wednesday, August 17 | 2:30 - 3:30 p.m. | Wilmette Pet Center | 625 Green Bay Rd., Wilmette

Safely touch and interact with animals with guidance from trained staff. We will walk to the park for a snack following our exploration at the pet center.

The Chicago
Lighthouse
NORTH

This program is for children six years of age and under

Please register for each class no later than the Monday preceding class:
