

PARENT SUPPORT GROUP

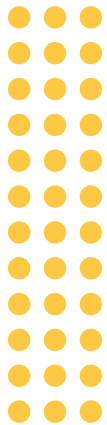

SCHEDULE: Third Tuesday of each month, beginning April 21

TIME: 6:30 - 8:00 p.m.

LOCATION: The Chicago Lighthouse
1850 W. Roosevelt Rd. | Chicago

FOR: Parents/caregivers of children with visual impairments (birth-18)

FEE: This program is offered FREE of charge with pre-registration but space is limited.

Led by Dr. Michael C. Smith Ph.D., this group will provide parents the opportunity to connect, learn and discuss with other families about their children in a social setting.

- Adjust to your child’s diagnosis—working through feelings of grief, anger, guilt, helplessness and isolation.
- Achieve a positive attitude.
- Cope with ongoing challenges.
- Receive support from people who understand what you are going through.
