

virtual PARENT SUPPORT GROUP

Looking to connect with other parents of children with vision impairments?

Join our Virtual Parent Support Group!

- First Wednesday of each month
- Starts August 5, 2020
- 6:30 p.m. - 7:30 p.m.

This group will provide parents the opportunity to connect, learn, and discuss in a virtual setting and also help them to:

- Develop strategies to support their children through their diagnosis
- Receive support from other parents who share their experiences
- Address parenting challenges in a positive way

Facilitated by The Chicago Lighthouse and its staff including: Dr. Michael Smith, PhD., Shelle Hamer, M.Ed, MA, and Marla Garstka, MA.
