

The Chicago Lighthouse for People Who Are Blind or Visually Impaired presents its:

Low Vision Products Road Show

We're taking our store on the road and everyone is invited!

The Low Vision Products Road Show welcomes the public to experience state of the art technology such as CCTVs, portable reading devices, wearable electronic glasses and much more! Both high-tech and low-tech aids such as independent living tools, lighting, and even sunwear are available. Test each product and receive training from our expert staff who can advise on the right tools to improve your daily life.

Absolutely free! Everyone is invited and can come at any time. Chicago Lighthouse staff will demonstrate, explain and let you try the variety of products available for help with school, work and daily life.

- Independent Living - talking clocks and watches, kitchen items, large button phones, and sunglasses of all types including the new fit-over models.
- Wearable Devices - Wearable electronic glasses such as eSight, IrisVision, NuEyes and Acesight that can assist with reading, watching television, seeing people's faces, playing cards and a whole lot more!
- Technology - Electronic magnification devices that can enlarge text and even read text aloud. Portable and hand-held video magnifiers, from 2x to 30x, to read and write anywhere!

Friday, September 20, 2019

10 a.m. – 3 p.m.

Chicago Lighthouse North

222 Waukegan Road
