STANDARD CLOCK FEATURES

SOCIALLY RESPONSIBLE

- Assembled in the USA by people who are legally blind
- Proceeds from your purchase help fund programs and services at The Chicago Lighthouse — a world-renowned social service organization serving the blind, visually impaired, disabled and Veteran communities

ENVIRONMENTALLY FRIENDLY

- Most models contain 30% post-consumer recycled content. Plastic frames contain EcoPure® additive to help break down plastic parts upon disposal
- Top quality quartz movement ensures long-term precision timekeeping
- Easy to clean shatter-resistant and UV-protected lenses keep your clock looking new
- Each clock is subject to our two-step testing procedure before being packaged
- One-year limited warranty on quality and functionality
- Most analog models use one standard AA battery (not included)

EcoPure®

FASHION | WALL DÉCOR CLOCKS

FEEL GOOD ABOUT YOUR PURCHASE!

Today Clocks are more than a utilitarian timekeeper. Often, they are a piece of wall décor. A decorative clock can make a statement, set a mood or even create conversation. With a Chicago Lighthouse Fashion Wall Décor Clock you are also supporting a worthy cause. Assembled in the USA by people who are blind; these clocks create employment and help fund over 3-dozen programs serving the blind, disabled and the Veteran communities.

We offer dozens of themes and styles to fit any home or office environment.

DAYLIGHT SAVINGS SELF SET CLOCKS

Self-Set clocks are programmed to change for Daylight Savings Time without the need for a signal. Ideal for use in facilities where radio signal may not reach atomic radio-controlled clocks. They also eliminate labor costs associated with adjusting the clocks in large facilities. Most models use 1-AA battery (not included)

The Chicago
Lighthouse

Decorative Wall Clocks

OUR HISTORY

- For nearly 50 years, The Chicago Lighthouse has hand produced nearly 7-million high-quality clocks
- We are one of the last major clock manufacturers in the U.S
- In 1977, under a program to provide meaningful employment to people who are blind, The Chicago Lighthouse was awarded a contract to build high quality clocks for the US Government and its agencies
- You don't have to look very hard to see one of our iconic wall clocks. The Chicago Lighthouse provides clocks to government offices, military bases, schools, embassies, factories and warehouses throughout the country and around the globe

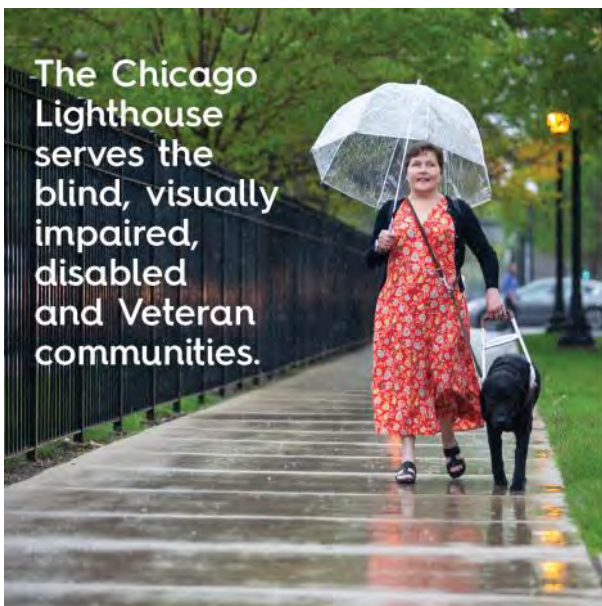

TODAY

Today we utilize our skilled workforce and Chicago, IL production facilities to manufacture a broad line of clocks and other office products for the consumer, commercial and government markets

Quality wall products made by people who are legally blind since 1977

The Chicago Lighthouse is a non-profit social service organization serving the blind, visually impaired, disabled and Veteran communities. Our clocks are assembled with pride by people who are legally blind at our Chicago Lighthouse Industries manufacturing facility in Chicago, Illinois. We began producing wall clocks in 1977 for sale to the federal government. Today, we sell to federal, state

The Chicago Lighthouse serves the blind, visually impaired, disabled and Veteran communities.
