OUR HISTORY

- For 40 years, The Chicago Lighthouse has hand produced nearly 7-million high-quality clocks.
- We are one of the last major clock manufacturer in the U.S.
- In 1977, under a program to provide meaningful employment to people who are blind, The Chicago Lighthouse was awarded a contract to build high quality clocks for the US Government and its agencies.
- You don't have to look very hard to see one of our iconic wall clocks. The Chicago Lighthouse provides clocks to government offices, military bases, schools, embassies, factories and warehouses throughout the country and around the globe.

TODAY

- Today we utilize our skilled workforce and Chicago, IL production facilities to assemble a broad line of office products to meet todays home and office needs.

Quality products assembled, packaged and distributed by people who are legally blind since 1977

The Chicago Lighthouse is a non-profit social service organization serving the blind, visually impaired, disabled and Veteran communities. Our clocks are assembled with pride by people who are legally blind at our Chicago Lighthouse Industries manufacturing facility in Chicago, Illinois. We began
