

POWERSTRIP HOLDER | Clamp-on

This clamp-on holder for power strips is easy to install without the hassle of drilling. Keep AC outlets and USB ports within easy reach of your workspace. The power strip holder clamps on to any flat surface up to 2 inches thick.

- Place your power strip within reach
- Clamps easily onto surface edges up to 2" thick, including desks, tables, counters, and other flat surfaces
- Adjustable width is spring-loaded and works with most power strips up to 2.4" wide
- Routes cables neatly out of view with integrated cable management
- Clamp pads to protect the desk surface

About The Chicago Lighthouse:

ERGONOMIC PRODUCTS by Chicago Lighthouse Industries

Since 1906, The Chicago Lighthouse has been a leader in comprehensive vision care and social services that improve the quality of life for patients, clients and their families.

Chicago Lighthouse Industries is just one of more than 3-dozen programs and services offered by The Chicago Lighthouse; serving the blind, visually impaired, disabled and Veteran communities. Our programs and services span the range from vision rehabilitation services, education, employment opportunities and assistive technology.

Chicago Lighthouse Industries operates as a social enterprise, providing industrial job training and continuous employment to people who are legally blind. Since 1977 Chicago Lighthouse Industries has assembled and distributed high-quality products for federal and commercial customers including clocks, calendars, office ergonomic products and a variety of kitting projects.

Our other social enterprise programs include contract management services (CMS) which fulfill contract closeout support services to federal government contracting offices. And our In-bound Call Centers cover a variety of industries including medical scheduling, payment services, Veteran services, business compliance, and state contract services.
