## About The Chicago Lighthouse:

Since 1906, The Chicago Lighthouse has been a leader in comprehensive vision care and social services that improve the quality of life for patients, clients and their families.

Chicago Lighthouse Industries is just one of more than 3-dozen programs and services offered by The Chicago Lighthouse; serving the blind, visually impaired, disabled and Veteran communities. Our programs and services span the range from vision rehabilitation services, education, employment opportunities and assistive technology.

Chicago Lighthouse Industries operates as a social enterprise, providing industrial job training and continuous employment to people who are legally blind. Since 1977 Chicago Lighthouse Industries has assembled and distributed high-quality products for federal and commercial customers including clocks, calendars, office ergonomic products and a variety of kitting projects.

Our other social enterprise programs include contract management services (CMS) which fulfill contract closeout support services to federal government contracting offices. And our In-bound Call Centers cover a variety of industries including medical scheduling, payment services, Veteran services, business compliance, and state contract services.
