About The Chicago Lighthouse:

Since 1906, The Chicago Lighthouse has been a leader in comprehensive vision care and social services that improve the quality of life for patients, clients and their families.

Chicago Lighthouse Industries is just one of more than 3-dozen programs and services offered by The Chicago Lighthouse, serving the blind, visually impaired, disabled and Veteran communities. Our programs and services span the range from vision rehabilitation services, education, employment opportunities and assistive technology.

Chicago Lighthouse Industries operates as a social enterprise, providing industrial job training and continuous employment to people who are legally blind. Since 1977 Chicago Lighthouse Industries has assembled and distributed high-quality products for federal and commercial customers including clocks, calendars, office ergonomic products and a variety of kitting projects.

Our other social enterprise programs include contract management services (CMS) which fulfill contract closeout support services to federal government contracting offices. And our In-bound Call Centers cover a variety of industries including medical scheduling, payment services, Veteran services, business compliance, and state contract services.

A family of quality products from Chicago Lighthouse Industries

Since 1906, The Chicago Lighthouse has been a leader in comprehensive vision care and social services that improve the quality of life for patients, clients and their families

Our social enterprises are a unique blend of mission and business. We have operations in the areas of manufacturing, retail and customer service that provide meaningful career opportunities for individuals who face barriers to employment. In addition, these operations serve as revenue streams to supplement other Lighthouse programs and services. This double bottom line model of social enterprise creates greater self-sufficiency and sustainability as an organization, allowing us to continually meet the growing and diverse needs of our patients, clients and employees.
