MOQ = 6 Kits

# Lens Cleaning Station

Disposable Lens Cleaning Stations are a one-stop spot for lens cleaning. This self-contained system can easily mount on a wall or sit on a counter. Designed to clean all optical lenses, eyeglasses, safety goggles, cameras, magnifiers, binoculars, microscopes, telescopes, as well as scientific and optical lenses. Also cleans all electronic devices, including plasma and LCD screens, camcorders, GPSs, computers/laptops/tablets/ monitors, smart phones, and instrument panels. Can be used on glass and plastic lenses and screens. Stations include pop-up, lint free, disposable soft wipes, and cleaning solution with pump mist spray dispenser. Cleaning solution is an anti-fog, anti-static, silicone-free lens cleaning solution with UV protectant which easily removes dirt, smudges, grease, and dust. Disposable wipes won't scratch delicate surfaces when used wet or dry. Ideal for use in factories, industrial settings, healthcare facilities, labs, offices, lunchrooms, sports facilities, and other environments. Four complete cleaning station kits in each box.
