Industries

Fulfilling all your needs for today's modern workspace.

OFFICE SOLUTIONS WITH A PURPOSE

At Chicago Lighthouse Industries, we offer a comprehensive range of products—from ergonomic computer accessories to cleaning supplies—that help your office operate efficiently and effectively. Designed for businesses of all sizes and configurations, including remote workspaces, our solutions are durable, versatile and competitively priced.

What truly sets us apart is the purpose behind every product. All items are manufactured and assembled by individuals who are blind or visually impaired, and your purchase supports vital social service programs for people with disabilities and Veterans. **Partner with us to meet your business needs while making a meaningful difference.**
